

# Physical Agents: Evidence Based Utilization in 21st Century Physical Therapy Practice

Saturday, March 10, 2012 • 8:30 - 4:00 pm  
University of South Florida • Tampa, FL

Physical Agents (modalities) have been integrated components of physical therapy care throughout the history of the profession. With the increased emphasis on evidence-based practice and provider accountability, this course will allow both the novice and experienced clinician to review and reflect upon the selection and application of physical agents in both a safe and therapeutically effective manner for the enhancement of patient care.

**SPEAKER:** William S. Quillen, PT, PhD, FACSM, Associate Dean, College of Medicine, Professor & Director, School of Physical Therapy & Rehabilitation Sciences, University of South Florida College of Medicine
